### RE: 94<sup>th</sup> Annual Patriots Day Road Race – Sponsorship Opportunities for April 21, 2008

Dear Sponsor,

For several years the Lexington Lions Club has greatly depended upon and appreciated the support given by community-based corporations such as yourself to the Patriots Day Road Race. This being our 94<sup>th</sup> running of the 4<sup>th</sup> oldest road race in the country, we are looking to really make a difference in our eye disease research efforts. We are hopeful that your company will help us promote this collective undertaking in our community. We need your help not only to make the 94<sup>th</sup> Annual Patriots Day Road Race a success, but also to raise money to help continue our battle against eye disease. Last year with the help of companies like you, we were able to raise over \$20,000 toward this cause.

In the past, our sponsors received a great deal of exposure through their sponsorship of the Patriots Day Road Race. Your company will undoubtedly receive the same quality exposure. There are generally 500+ runners and there are typically **thousands** of spectators along the race route. Please refer to the enclosed Sponsorship Opportunities page for additional details on how you can be a sponsor of this historic event.

The Lions Club is optimistic that our quest for your sponsorship is acted upon favorably. All proceeds of the race are donated to the Lions Journey for Sight program which funds eye disease research and helps to prevent baby blindness. We look forward to working with you on this and other joint community projects of 2008. If you require additional information please feel free to contact us at anytime. Thank you in advance for your support. **PLEASE RESPOND BY OUR APRIL 10<sup>th</sup> DEADLINE.**

Very truly yours,
