RE: 105th Annual Patriots Day Road Race – Sponsorship Opportunities for April 15, 2019

Dear Sponsor,

For years the Lexington Lions Club has greatly depended upon and appreciated the support given by community-based corporations such as yours to the Patriots Day Road Race. This being our historic **105th running** of one of the oldest road races in our country and in the world, we are looking to really make a difference in our eye disease research efforts. We are hopeful that your company will help us promote this collective undertaking in our community. We need your help not only to make the 105th Annual Patriots Day Road Race a success, but also to raise money to help continue our battle against eye disease. Last year with the help of companies like yours, we were able to raise over \$15,000 toward this cause.

In the past, our sponsors received a great deal of exposure through their sponsorship of the Patriots Day Road Race. Your company will undoubtedly receive the same quality exposure. There are generally about 500 runners and there are typically **thousands** of spectators along the race route and present for the other Patriots Day events. Please refer to the enclosed Sponsorship Opportunities page for additional details on how you can be a sponsor of this historic event.

The Lions Club is hopeful that our request for your sponsorship is acted upon favorably. All proceeds of the race are donated to the Lions **Journey for Sight** program which funds eye disease research and help those that are needlessly blind. We look forward to working with you on this and other joint community projects of 2019. If you require additional information please feel free to contact us at anytime. Thank you in advance for your support. **PLEASE RESPOND BY OUR APRIL 3rd DEADLINE.**

Very truly yours,
Road Race Committee

Colby Crogan

John Lucente

Bill Carlson

Paula Rizzo-Riley

Joseph LaMarca

Stacy Sheeha

Did you know...

15,000,000

Children have had their sight saved by early screenings by Lions clubs.

1,000,000+

People in the United States age 40 and older are legally blind.

46,196

The number of corneal transplants performed in the U.S. in 2011

5

Seconds it takes for another person to go blind in the world.

Help the Lexington Lions Club make a difference in someone's life today!
