RE: 109th Annual Patriots Day Road Race – Sponsorship Opportunities for April 17, 2023

Dear Sponsor,

The Lexington Lions Club is thrilled to announce the 109th Annual Patriots Day Road Race, which will take place on April 17th, 2023. As we gear up for this historic event, we invite your organization to become a sponsor and join us in the fight against eye disease through our "Journey for Sight" initiative.

By sponsoring this race, you will have the opportunity to gain valuable exposure and make a positive impact on our community. In the past, our sponsors have received great visibility and recognition through their involvement in the race. With over 400 runners and thousands of spectators along the route, this is an excellent opportunity to showcase your organization to a wide audience.

We offer multiple sponsorship opportunities, each providing unique benefits and recognition. As a sponsor, you will have the chance to engage with our participants and connect with the community in a meaningful way. Your support will help us raise vital funds for eye disease research and make a difference in the lives of those affected by this condition.

We want you to be a part of history as we celebrate our 109th Annual Patriots Day Road Race. Join us in creating a fun and uplifting event for our community while supporting a great cause. This is your chance to make a positive impact and gain valuable exposure for your organization.

Thank you for considering our request for sponsorship. If you require additional information or have any questions, please do not hesitate to contact us. We look forward to hearing from you soon and working together to make the 109th Annual Patriots Day Road Race a great success.
